Primary logo

Black or white may be used to increase contrast when appearing against certain backgrounds or as a photo overlay

The icon logo in the approved gradient may be used independently as a decorative element. It may also appear in black or reversed out of one of the approved brand colors.
CLEAR SPACE

The minimum clear space is 1x on all four sides, where "x" is equal to the approximate height of "episcopal community services."

MINIMUM SIZE

PRINT
1.75 INCHES

DIGITAL
200 PIXELS

Do not reduce the logo any smaller than indicated.
